Americans with Disabilities Act

Accessibility Commitment

Technical College of the Rockies (TCR) is dedicated to upholding the standards set forth by the Americans with Disabilities Act (ADA). We are committed to providing an accessible and supportive environment for all students, including those with special needs. Facilities across our campus are designed to accommodate students with disabilities, ensure equitable access to our educational programs.

Support Services

To further support our students, TCR offers a variety of services tailored to individual needs. These services include academic advising, referral of tutoring services, and personalized vocational guidance and planning. These resources are aimed at fostering an inclusive educational environment that respects and promotes the potential of each student.
