# EMT Immunization Checklist

Student Name: \_\_\_\_\_ Semester: \_\_\_\_\_

	#1	#2	#3	Titer
Tuberculosis Test (Within 1 year)				
Hepatitis B Vaccination				
TDAP: Tetanus, Diphtheria, Pertussis (Within last 10 years)				
MMR: Measles, Mumps, Rubella				
Influenza Vaccination (Available October-May)				
Varicella				
Drug Screen				

- Students may obtain titers for Hepatitis B, MMR, and Varicella if vaccination records do not show a completed immunization series.
- Influenza vaccines are only available October-May and must be obtained prior to the start of clinicals for fall semester students. Spring semester students must have the influenza vaccine prior to the start of class.
- Drug Tests are available at the Delta County Memorial Hospital with a TCR voucher. The voucher is not valid at any other location.

• **Possible COVID vaccine requirement at hospitals**

**Covid Immunization Date #1 \_\_\_\_\_ #2 \_\_\_\_\_**  
**(this is if you have had the vaccination. At this time, it is not required)**
