Persons under 21 years of age, enrolled in the 9<sup>th</sup>-12<sup>th</sup> grade in a school district, who demonstrate academic preparedness, are eligible for concurrent enrollment programs. Students enrolled in 12<sup>th</sup> grade at a school district may enroll in basic skill courses, if approved by the school district. To enroll at a Community College a student must have completed the minimum course prerequisites and all required assessments.

I understand that this agreement entitles me/my child to enroll in college courses if academically and socially ready. I understand the following:

1. I will meet the same course requirements as college students; the student is subject to TCR Student Code of Conduct.
2. The course satisfies college graduation or basic skill requirements.
3. Transfer course credits will only transfer if I earn a C or better in the course.
4. The grade received in this course will appear on my official college transcript.
5. If I withdraw from the course after the drop/add date, I will receive a W or F on my college transcript.
6. I am not eligible for the privileges of a college student, i.e., may not participate in college activities, not eligible for federal or state-funded financial aid, including institutional scholarships funded with general fund dollars.

In signing this agreement, I authorize Technical College of the Rockies to release my transcript to my school district at the end of the course.
