

Background Check

The Colorado Community College System (“CCCS”) and the State Board for Community Colleges and Occupational Education authorize the nursing programs to conduct a background investigation of all student applicants. The clinical sites used in the nursing programs require background checks of all potential interns. The purpose is to maintain a safe and productive educational and clinical environment. New students who refuse to comply with the background investigation will not be allowed to enter a CCCS Nursing Program.

The following criminal offenses appearing on a criminal background check will disqualify an applicant for admission to CCCS Nursing, Emergency Medical Services (EMS), Fire Science, and Allied Health Programs.

If a disqualifying offense is on the report, the student will be notified that he/she will not be accepted into the program and will be encouraged to contact their legal counsel to assist them in clearing their record. Until the student’s record is clear of disqualifying offenses, the student will not be admitted into the Medical Assistant program. Please see the guidelines below.
