Where Careers Begin

Emergency Medical Technician

Emergency Medical Technician is a **1 semester, 15.5 credit, 265 hour** program. Students who successfully complete the EMT Basic will be prepared to take the National Registry Certification exam. Our EMT Basic training follows the most current Department of Transportation curriculum and is recognized by the military. We offer many scheduling options for the working professional. Graduates of our EMT program have the opportunity to participate in a broad spectrum of experiences in the healthcare field while continually building on their interpersonal skills as part of a patient care team.
