

Course Description

NUA101 Nurse Aide Health Care Skills

Prepares the student to perform the fundamental skills of the nurse aide. Basic nursing skills, communication skills, restorative services, personal care skills, safety and emergency care issues are covered. Includes knowledge and/or principles of asepsis, OSHA and HIPAA regulations. Ethical behaviors, cultural sensitivity and principles of mental health will be addressed, as well as patient/resident rights.

NUA170 Nurse Aide Clinical Experience

Applies knowledge and skill gained in NUA 101 to patient care.

NUA105 Home Health Aide Theory

Introduces the expanding field of Home Health Nursing, the uniqueness of Home Health Care and the vital role that the nursing assistant plays as part of the home care team. Covers how to assist home care patients with activities of daily living and maintain a safe, clean and comfortable environment. Covers the differences and challenges of caring for patient in their natural home environment versus institutional settings.

NUA102 Certification Exam Prep

Helps prepare the student for the National Nurse Aide Assessment Program (NNAAP) examination.
