

BE AWARE - BE READY - BE INFORMED

SIGN UP FOR ALERTS NOW!

The new **Delta County Alerts** Emergency and Community Alert system is a FREE service that allows Delta County 911 Dispatch and public safety officials to send critical, timely public safety alerts to residents and business owners when minutes matter most.

Sign up today to receive early warning and critical safety information related to natural hazards and events of significant importance to the community such as: *wildfires, gas leaks, severe weather, major road closures, utility outages, boil order notices, missing people and more!*

If you live, work or own property in Delta County, the Somerset or Maher areas you are encouraged to sign up for this critical public safety alert system.

TO SIGN UP

1

SIGN UP

Visit DeltaCountyCO.gov/Alerts to learn more and to sign up.

Create a free profile and enter your contact info to ensure we can reach you and your family in an emergency!

2

EMERGENCY

During an emergency such as a wildfire, flash flood, police activity, etc. 911 dispatch and/or Emergency Management will use the Delta County Alerts system to send focused community alerts to quickly notify residents in the area of the emergency!

3

ALERT

During an emergency, if you live in the affected area, you will receive an alert via the methods you signed up for such as phone call, text and/or email to alert you to the situation.

Early notification is the key to saving lives during a disaster!

Learn more and **sign up** for alerts at: DeltaCountyCO.gov/Alerts
